## Welcome to the 2016 school year!

Staff would like to extend a special welcome to all those students and their families who are new to our school this year. Also we give a big welcome to all students and parents who are returning for another year. Our school is a leader in the area of literacy for all students and we strongly encourage parents to become involved. On Tuesday the 9<sup>th</sup> February a Parent Teacher evening will be held at the school and we extend an invitation to all parents to attend this evening. To support students achieve success it is important that the school and family work together. If you have a problem or concern, do not hesitate to contact your child's teacher or myself. As Principal, my door is always open to you.

### Below is a list of the changes to staff that have taken place this year:

- Wendy Cox retired at the end of 2015
- Gabrielle Sheather will be relieving Principal during Term 1 2016
- Welcome back to Christine Brickhill who has returned to her role as the Assistant Principal, in charge of the senior school.
- Amanda Cappello will be acting in the Assistant Principal role, in charge of the middle section of the school for Term 1
