

P&C News

Dear Parents and Carers

As you may or may not be aware, the P&C pay all the expenses associated with the running of the two Willans Hill buses that are used extensively throughout the year. This includes repairs, insurance, registration, new tyres, fuel and servicing. On top of this, we endeavour to put away each year a certain amount of money to be able to replace the ageing buses in the future.

Most years our bills for the buses amount to around \$8,000.00. As we are a small school and P&C, this often eats into our fundraising funds that would be better spent on equipment and resources for the school.

Therefore, we are asking for all families of the school to help with the upkeep of the school buses by way of a voluntary contribution paid to the P&C. A family contribution of \$50.00 would be appreciated by the P&C committee to help alleviate our ongoing costs. As this is a voluntary contribution, and not compulsory, any amount contributed would be most appreciated.

Please send your money in an envelope to the school office, where it will be stored in a safe and banked at a convenient time by our Treasurer John Daley.

Thank you for your anticipated assistance.

Yours sincerely

Stephen Reynolds

President of Willans Hill P&C

Claim the Date and Help with Trivia Prizes

This year, one of our major fundraising efforts will be a Trivia night on Friday 2nd June at the RSL club. Please spread the word to family, friends or workmates so we can have a successful night fundraising for our school.

We are asking for donations of gifts and prizes for the night. Whether large or small, your donation will help with the success of the night. If there is a business in town that you are comfortable asking for a prize donation, it would be much appreciated. Please send all prizes to the school office. They will be collected at a convenient time by myself or one of the committee members.

Again, thank you for your anticipated assistance.
