Connecting with
Community

On Thursday, I had an opportunity to watch students in the middle and senior school rehearsing for the Riverina Dance Festival on Friday 23 June. The effort and enthusiasm shown by the students involved was astounding and I hope that our community will show their support for the students who are performing by attending the Festival.

NDIS Information

The National Disability Insurance Scheme (NDIS) will roll out across NSW between 1 July 2016 and 30 June 2018. Our school will continue to meet the personalised learning and support needs of students with disability under the Disability Standards for Education 2005. In the coming months the school will be providing information to parents and carers in our community to further assist them during the transition to this Australia-wide scheme.

In Term 3 the school will be hosting additional NDIS Information sessions for parents/carers. These sessions are designed to learn more about the NDIS from an NDIA representative, meet Department of Education staff working with the NDIA and provide parents/carers with an opportunity to ask questions.

SIMPLIFI app

SIMPLIFI is a new accessible app that can help people with disability find the planning support they need as they begin to plan to access the NDIS. SIMPLIFI contains prompter questions, for people with disability and their carers, which can be used in support meetings, discussions and planning sessions.

Below is a link where you can find further information regarding the app.

Cook Book

As a fundraiser we are putting together a cook book.

Start gathering photos, stories and recipes that you would like to add to the book.

We would love to also include past staff and students, so not only will it be a cook book, but a book of history about our school.

We are also looking for businesses to advertise in our books to help cover costs.

These books will make a fantastic Christmas present for your family and friends.
