Pick up and Drop Off

The mornings and afternoons at the school are extremely busy and we ask for your assistance to make sure all students are safe when arriving at and leaving from the school. Parents/carers are asked to remain in their vehicles until staff can support students to or from the car. You are more than welcome to come into the school to collect your child, however, please park your car in the carpark so that other cars are able to move around the pickup area. The school transport plan has been modified and is available at the school office.

Late arrivals and early departures

If your child arrives at school after 9am or needs to leave before 3pm you need to sign them in/out at the front office as per Department of Education policy. Staff will then take your child to or from class. Please do not go to the classroom yourself.

Volunteers needed:

The P&C are calling for volunteers to help in the canteen on Wednesdays . If you are interested in helping and are available between 9:30am -2:30pm please email the P&C at willanshillpandc@gmail.com or call the school on 6925 1076. Your help is greatly appreciated.

School wide student expectations

Below are the school-wide expectations developed in 2017 in consultation with students, staff and the community.

These are displayed in classrooms, playgrounds and other learning environments across the school.

Staff model and reinforce these expectations daily to support the wellbeing of all students. Your support to reinforce these expectations is greatly appreciated.
