Student growth and
attainment

Quality Teaching

High Expectations

Principal's report

Dear parents/caregivers,

We have made it to the end of term. Reports have been sent home today and parent teacher meetings will be on Wednesday 3 August.

Industrial Action

Tomorrow the NSW Teachers Federation has called a stop work. The school will operate with minimal supervision. Students will not be in their own classrooms and will not have their normal class teacher. Normal learning routines will not operate. As I mentioned in a Seesaw message last night we have a number of staff also not able to be on site due to illness, this impacts us significantly and will also impact the students that are on site with changes in structures and routines.

School Drop Off and Pick Up.

A friendly reminder that school begins at 9am finishes at 3pm. It is important for students that they arrive just prior to the 9am bell to ensure the day starts with normal routine. Please arrive promptly to collect your child from school. I understand that at times there may be a queue, however recently parents have not been arriving until after 3:15. Our support staff are off duty at 3:15 and this makes supervision of students difficult.

Wagga Wagga High Dance Performance

Yesterday I had the pleasure of accompanying our students to Wagga High School to attend their annual dance performance. The show was amazing and the students enjoyed the performance. Thanks to all the staff for supporting our students to attend such a great event.

Have a safe and happy holiday. I look forward to seeing you all in Term 3.

Terri Inglis

Principal
