

Term 2
3 July 2024

Principal's report

Dear parents/caregivers,

Well, that's a wrap. Who can believe that this is the last week of Term 2? I would like to take this opportunity to personally thank my hard-working staff who always go the extra mile to support the needs of our students. I would also like to acknowledge our amazing school community who continually contribute to the smooth running of the school.

NAIDOC Week

This week students at Willans Hill are celebrating NAIDOC week. They will be partaking in numerous activities including indigenous art with Amanda Hinkelmann, story-telling with Luke Wighton and cooking to acknowledge our First Nations culture. I would like to thank our Aboriginal Education team for planning such a wonderful week.

Reports/PLSP Notes

Reports will go home this Thursday in your child's communication folder. Please take the time to read the positive gains your child has made throughout the semester. Included in the reports, are times for parents to book PLSP interviews with the classroom teacher. Please select a time and send this form back as soon as possible.

Dance Spectacular

Yesterday, students from Willans Hill School ventured to Wagga High School to watch the annual Dance Spectacular stage performance. Congratulations to the staff and students of Wagga High on producing an amazing show.

Nuts/Peanuts

Could I please ask that parents do not send nut products in their child's lunch box to school. We have a number of anaphylactic students who cannot tolerate these products. This includes even touching a student who may have ingested a product with nuts.

Willans Hill's Annual Dance Concert

Next term, students will partake in dance lessons with the girls from Triple Threat in preparation for our annual dance concert. This year, students will be dancing to a variety of songs from the 90's. Please stay tuned, as the date for the concert will be released early in Term 3.

Have a fabulous holiday break. School returns on Tuesday 23rd July.

Rachel Linsell
Principal

Class Awards
